Master of Business Administration International Management

Apr 30 2022

It develops students' understanding and knowledge of the analytical tools that are used to assess the financial performance of firms. The module also exposes students to some of the key concepts of business finance and introduces students to the methods and tools used to assess the risks and viability of value-enhancing contracts and projects.

Hisd Connect Parent Portal Log In

Mar 06 2020

Parents are given a unique code or access ID for each of their students and are able to use those codes to set up an account to access their students' profiles through the parent portal. Parents who haven't received their student's access ID should contact their school.

Islam Wikipedia

Nov 13 2020

Islam ˈɪslɑːm (Arabic: الإسلام, transl. submission to God) is an Abrahamic monotheistic religion centered primarily around the Quran, a religious text considered by Muslims to be the direct word of God or Allah as it was revealed to Muhammad, the main and final Islamic prophet. It is the world's second-largest religion, behind Christianity, with its

Game Theory Wikipedia

Mar 30 2022

Game theory is the study of mathematical models of strategic interactions among rational agents. It has applications in all fields of social science as well as in logic, systems science, and computer science. Originally, it addressed two-person zero-sum games in which each participant's gains or losses are exactly balanced by those of other participants.
