**Stone Fox** Nov 25 2021 John Reynolds
Gardiner’s classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

Fans of twisty, clever stories like The False Prince and Oceann's Eleven will love this newest series from Kevin Sands, author of the bestselling...
Blackthorn Key. Rule number one: Never mess with magic. Even so, a life-or-death situation calls for Callan and his criminal friends to make a deal with the Eye—the sinister, sentient artifact they stole from a sorcerer. It's Lachlan's life in exchange for a future task, and the gang has no choice but to agree. But even as Lachlan is resurrected, it's not without cost. Through the Eye, Callan can see a tiny purple stain inside Lachlan's soul, which will eventually consume him. The cure—and their part of the deal—lies with the Dragon's Teeth, a pair of swords with extraordinary powers, and the search for them leads the thieves on a quest that will unravel the mystery of the Eye. Old friends, new betrayals, and an even more daring break-in than the last culminate in a confrontation that will take all the gang's skill and power to resist—or they'll die trying.

**Crazy Tuesdays** Mar 06 2020 If you're looking for a laugh-out-loud, feel-good book that will engage you from start to end, look no further than here. Author Sue Stearns's debut work is a fast and funny read that is sure to put a cheek-to-cheek grin on your face and reawaken your inner child. Crazy Tuesdays is a highly entertaining collection of short stories, anecdotes, and insights plucked from Stearns's personal life experiences as a mother of two rebellious toddlers, Minka and Cooper. The stories focus on her kids and explain what a typical Tuesday is like in their home, although what's typical for them is not typical for most. Tuesday is the day of the week when the entire Stearns family gets together, lets loose, and does the messiest, wildest activity or craft they can think of. From taking mud baths outside to flailing paint on household walls covered with sheet metal, the Stearns family has had some pretty wild and crazy Tuesdays. As mother Stearns shares how each new Tuesday brings a new adventure for her clan, she peppers her pieces with a lighthearted humor and spirited enthusiasm which, on its face, situates Crazy Tuesdays as a must-read for those seeking first and foremost to be amused. Also a college graduate and military wife, let's not forget that Stearns is a mom—and as a general rule, moms have a funny way of being able to sneak a lesson or two into even the most obvious forms of fun. What Stearns accomplishes in Crazy Tuesdays is no exception to this rule. As she delivers spleen-splitting stories, she also imparts a meaningful message: Parenting can be exhausting, but even in the midst of all the chaos and confusion, there is always something to laugh about. You just have to find it. And if Stearns was able to find it, there's hope for you, too.

Protecting Children from Exploitation and Trafficking Jan 04 2020
Some girls in conflict-ridden Northern Uganda resort to transactional sex to have a mat to sleep on at night. And with the prospect of earning more money in a day than their parents might make in a month, many girls in East Java, Indonesia fall into work in the sex industry. Children face sexual exploitation worldwide, especially when they have little support to avoid them, have few skills that give them options, and little sense of their own value and possible alternative futures. The Positive Deviance approach to social change finds solutions to common problems in the behaviors of positive outliers—those who defy the worst odds in the face of seemingly intractable problems and present social proof that local and actionable solutions to those problems are equally available to their peers. This monograph documents two child protection projects implemented by Save the Children using the Positive Deviance approach.

**The Complete Married With Children Book:**
**TV's Dysfunctional Family Phenomenon**

Sep 23 2021 Married . . . with Children premiered on Fox TV in 1987 and updated the Don Ameche and Frances Langford radio comedy series, The Bickersons, and Jackie Gleason's TV classic, The Honeymooners, with a raunchy, cutting-edge slant that focused on a lovable yet laughable family headed by endearingly flawed Al (Ed O'Neill), his housework-hating wife, sexy daughter, and randy son. For 11 seasons, the brilliant team of talent put the funk in dysfunctional. Rediscover the exhilarating humor and intellectual excitement in Denise Noe's first book. She delves behind-the-scenes with Michael Moye, Ron Leavitt, Ed O'Neill, Katey Sagal, Christina Applegate, David Faustino, David Garrison, Amanda Bearse, E. E. Bell, and Ritch Shydner. You’ll be fascinated by the story of how two rogue writers created a deliberately off-the-wall program; how it almost got derailed before production began; how a controversy could have plucked the series off the air but ended up injecting a much needed shot in the arm; how a reality-based show occasionally—and courageously—ventured into comedy with a fantasy, horror, and/or science fiction spin. Order your copy of the collectible First Edition today. Illustrated. Bibliography. Appendix featuring episode synopses.
